LOT 1846

A set of four Baccarat Talleyrand pattern decanters and stoppers, acid etched marks to bases, height 23cm. Provenance: from the collection of John and Poppy Stallebrass.

Estimate: £100 - £150

Condition Report

Two stoppers have small chips to their base tip, and one of these has a minor circular bruise to the top surface. Two of the decanters have a tiny nick to the curved edge of one of the facets near the base, one of these decanters also has a very dirty interior which would clean up nicely. Otherwise the decanters and stoppers are generally in good order with some minor typical wear commensurate with age and handling.
