Condition Report

There is a faint starcrack to the vase the centre of which is in the narrow orange band above the foot beneath one of the larger flowers, there is a long fine haircrack running from this starcrack down into the footrim where it runs for approx 5cm around the footrim, another part of the starcrack runs approx 2cm vertically into the green band.

Overall there are a few minor scratches and very minor blemishes to the enamels - nothing terrible.
