LOT 1807

A pair of Arts and Crafts glass decanters and stoppers, circa 1900, the clear bodies threaded with lime green trailing beneath the blown stoppers, height 32cm (minor faults).

Estimate: £40 - £60

Condition Report

Fundamentally the pair are in good condition with no damage or repairs to the bodies or stoppers, apart from the fact there are small sections of the green trailing missing in sporadic places, the main loss being to the widest part of the body of one decanter - shown in image 6 on our website. The losses are not immediately noticeable or too unsightly.
