### LOT 2080

A George I provincial walnut chest-on-stand, fitted with an arrangement of six drawers, height 147.5cm, width 100cm, depth 54.5cm (alterations).

Estimate: £500 - £800

---

### Condition Report

2080. The front veneers have had some overall repairs to the edges of two of the drawers, around the edges of the carcass and a small patch missing on left front corner of base. Typical slight bowing to some of the drawer fronts. Both rear legs have some scattered woodworm and one of the front legs is a good replacement. Some other historic woodworm to rear and sides but all quite typical.
