LOT 2050

A late George III mahogany secrétaire bookcase of narrow proportions, the glazed cabinet top above a secretaire drawer and three further drawers, on turned legs, height 197cm, width 78cm, depth 47cm.

Estimate: £200 - £400

Condition Report

2050. There are a few overall repairs to veneered surfaces, including a rectangular patch on right side of top flat surface of base, and along some of the edges and corners. Some small chips and cracks around edges of pediment and wear around edges of handles. We would suggest that the feet have been replaced.
