LOT 2225

A late Victorian ebonized and amboyna crossbanded credenza with overall gilt metal mounts and later inset jasperware plaque, height 107cm, width 151cm, depth 42cm (some faults).

Estimate: £100 - £200

Condition Report

2225. In need of an overall clean and tidy-up. On close inspection, quite a lot of the brass beaded borders are missing, as well as a small section of the frieze mount. Some overall minor scuffs, knocks and a few surface cracks. The plaque is a later replacement. The shelves need re-lining. A bit of an overhaul needed.
