### LOT 2201

An 18th century Spanish Colonial walnut centre table, the thick single-piece top on carved trestle supports, supported by wrought iron stretchers, height 77cm, length 135cm, depth 81cm.

Estimate: £150 - £250

---

### Condition Report

2201. Generally quite rustic, with overall wear, scuffs, chips to corners and fading. The top has two let-in squares, presumably repairs or cleats. The bottom edges of the supports have been reduced due to years of wear and deterioration, but otherwise structurally sound and original.
