LOT 2072

A small 17th century paneled oak coffer with hinged lid and carved lunette front, height 39cm, width 70cm, depth 42cm (faults).

Estimate: £100 - £200

Condition Report

2072. Quite dilapidated but a really sweet size. Lacking all foot length and some base panels. Damage and loss to some of the joints, and some old historic woodworm around the base.
