### LOT 2200

An 18th century Spanish Colonial walnut hall table, the single-plank top above ring turned legs and carved leaf bracket feet, height 81.5cm, length 230cm, depth 77cm.

Estimate: £300 - £500

---

### Condition Report

2200. The single piece top is a bit warped and has a crack to one end, a let-in square of wood repairing a hole and a repaired section to one side. The turned supports have some fairly typical vertical cracks and there are some old minor chips and slight loss to the carved supports. Otherwise a slight side-to-side wobble.
