### LOT 2501

Theodor Eichler - The Slave's Destiny, an early 20th century German brown and gilt patinated cast bronze figure group of a seated slave trader beside a standing nude maiden, the base bearing cast signature, raised on a marble plinth, height 29.5cm.

Estimate: £200 - £300

### Condition Report

2501. The nude figure is loosely attached to the base and needs the underside fixing tightened. She has a few surface blemishes and some slight wear to the highpoints. Otherwise the marble base has some filled repairs and chips to corners.
