A pair of Victorian magenta silk lady's boots, length 26cm, two Victorian silk bodices (one lacking sleeve), a hooped undergarment and a parasol.

Estimate: £70 - £100

### Condition Report

2806. One of the boots is missing the two top buttons and both boots only have fairly minimal wear around edges. The black bodice is in reasonable condition with no obvious issues. The brown silk bodice is also in really lovely condition apart from it is missing a whole sleeve and is missing all the buttons. The hooped undergarment is okay and has just a little wear around waist. The parasol has splits to the silk canopy.
