LOT 2805

A Victorian black silk and beadwork shawl, an Art Deco style black dress with applied beadwork front and a small group of other costume.

Estimate: £40 - £60

Condition Report

2805. The black beaded shawl is in generally good order but does have some overall slight loss to beading and a corner seam undone at one corner. The dress has a repaired tear to the back and some make-up around the neck area. The black silk skirt is badly torn in places and the yellow skirt is a later-made fancy-dress piece.
