### LOT 360

A Continental .925 silver seven-branch eight-light candelabrum, each scroll branch with an urn shaped sconce and circular drip pan above a baluster stem and domed circular foot, with all-over embossed foliate ovals, raised on scroll feet, detailed 'ST925', weight 1501.8g, height 46.5cm.

Estimate: £600 - £900

### Condition Report

360. The candelabrum is generally in fairly good condition with no significant damage, tears, splits or repairs. However, there is some misshaping to the branches which would need attention as some of the sconces are now at different heights and distance from the stem as a result. Otherwise typical light surface scratches and wear, but decoration still pretty crisp.
