

Furniture / Thursday, 3rd October 2024 / Lot 2153

LOT 2153

A set of six S 64 V ebonized and chromium plated cantilever chairs, designed by Marcel Breuer for Thonet, each with maker's marks to seat rail, height 80cm, width 60cm, together with a matching dining table, height 73.5cm, length 200cm, depth 100cm.

Estimate: £300 - £500

Condition Report

2153. The chromium plating has an overall minor surface oxidisation and very minor rust in places. The wooden frames are quite worn. There are two seats that have been re-caned and two back panels that are damaged. Quite a few of the screws have been replaced. The ebonized wooden top has some areas of wear and some scratches.
