

Jewellery / Wed, 2nd October 2024 / Lot 818

LOT 818

A gold, emerald and diamond bracelet, claw set with a row of oval cut emeralds alternating with pairs of circular cut diamonds, on a snap clasp, detailed '18K', weight 8.7g, length 17.5cm.

Estimate: £150 - £200

Condition Report

An emerald to one side of the clasp is chipped along one side, only really noticed when viewed under a loupe. All emeralds are fairly pale in colour and heavily included. Many inclusions are surface reaching.

Diamonds are all present, a few claws are showing signs of wear. Claws supporting emeralds all look to be in good condition.

Clasp in working order, but does benefit from having the safety catches.

Typical light scuffing/scratching to metalwork.
