### Condition Report

Emerald is largely opaque due to being heavily included. Size approx 7mm x 5.5mm.

The emerald has a surface crack to one corner.

Generally the diamonds are poorly matched for colour and clarity. One yellow tinted compared to others.

Clarity generally I2/I3.

Two diamonds are badly chipped to the girdle/crown edge.

Each diamond approx 0.10ct each.

Minimal wear to the shank/setting.
