LOT 2049

A George I walnut chest-on-stand, each oak-lined drawer with a chequer banded border, height 170cm, width 103cm, depth 51cm (later legs and faults).

Estimate: £50 - £80

Condition Report

2049. As can be seen in the online images, there are some pieces of veneer missing from some of the crossbanding, as well as a few small sections of moulding missing around middle edge. Cracks to veneer on both sides. Some of the drawer fronts are slightly bowed. Brassware is original. There is some minor woodworm to the tips of the legs, which could be original on closer inspection.
