LOT 2007

A William and Mary oak chest of two short and two long drawers with applied geometric mouldings, on bun feet, height 86cm, width 92cm.

Estimate: £200 - £400

Condition Report

2007. Gapping of timber on top and two old clout nails through top to secure to front. Crack to upper left-hand side panel and bottom trim on right side. Three pieces of moulding missing on middle drawer and a crack across the lower drawer. Runners are quite worn so the drawers do not run very well.
