

Furniture / Thursday, 3rd October 2024 / Lot 2172

LOT 2172

An 18th century Chinese export lacquer collector's cabinet, later converted to a drinks cabinet and raised on a later pierced fretwork stand, height 158cm, width 94cm, depth 50cm (alterations).

Estimate: £300 - £500

Condition Report

2172. Vertical surface cracks to both doors and overall surface wear and scuffs. Overall scuffs and wear to stand, as well as a break to one stretcher. Some loss of surface to top and some overall surface loss to front and sides.
