LOT 2016

A 17th century oak Wainscot armchair with a panelled back and solid panel seat, height 86cm, width 53cm.

Estimate: £60 - £100

Condition Report

2016. Cut down in height and overall typical surface wear. The seat, seat rails and some areas of the legs have some old historic woodworm. The seat has some gapping to the timbers. Otherwise, structurally sound and quite original.
