### Condition Report

1025. The watch is in generally good condition with no significant damage. Typical light surface scratches and wear. A little dirty so would benefit from a clean. Small chip to edge of crystal at 11 o'clock, otherwise crystal is generally good (the image is visible in the images on our website). Dial in good clean condition. The watch winds and adjusts smoothly, chrono features working as they should and watch is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. Bracelet with typical surface scratches, but otherwise good and clasp in good working order. With box and outer card box, but no paperwork.
