

Clocks and Barometers / Thu, 17th October 2024 / Lot 1161

### LOT 1161

An Art Deco marble and gilt bronze four glass mantel clock with eight day movement striking on a bell via an outside countwheel, the white octagonal dial with black Arabic hour numerals, the case with bevelled glass panels flanked by a pair of gilt bronze stylized parrots, height 33cm, with pendulum.

Estimate: £60 - £100

### Condition Report

1161. Both barrels of the clock wind smoothly and it is currently running but please be aware we give no guarantees to working order or reliability of any clock or watch. The strike mechanism is also working but there is no bell so does not sound, even though the hammer is striking as it should. Painted dial has some craquelure and minor paint loss, all of which is visible in the online images.
