

Jewellery / Wed, 30th October 2024 / Lot 561

LOT 561

A gold, emerald and diamond ring, claw set with an oval cut emerald between diamond set sides in a crossover design, detailed '585', weight 3.3g, ring size approx O1/2.

Estimate: £180 - £220

Condition Report

In generally good condition overall.

The ring has been resized in the past.

The emerald is slightly windowy and of pale to medium colour saturation. It has typical inclusions, some black in nature, visible without a loupe. Emerald weight approx 0.45ct.

Diamonds all appear secure, white face-up, approx SI clarity.

Minimal scuffing/scratching to shank/setting.
