LOT 580

An 18ct white gold and diamond ring, mounted with a princess cut diamond between two circular cut diamonds, London 1989, weight 3.6g, total diamond weight approx 1.00ct, ring size approx O.

Estimate: £400 - £600

Condition Report

The central princess cut diamond has an unfortunate chip to the pavilion which is noticeable without magnification when viewing the stone through the table.

The two side diamonds have clarity approx SI, colour approx I/J (diamond gradings are estimations, limited by the setting and for guidance only).

Claws in good condition.

Typical light scuffing/scratching to the shank/setting.
