

Jewellery / Wed, 30th October 2024 / Lot 721

### LOT 721

A yellow and white metal, orange zircon and diamond ring, claw set with circular cut orange zircon between rose cut diamond two stone shoulders, unmarked, weight 5g, ring size approx N1/2.

Estimate: £140 - £180

---

### Condition Report

The zircon has typical abrasion and nibbling to facet edges.

Zircon approx 12.1mm x 7.5mm

Some wear to the foliate shoulder decoration, of which the tips acted as additional claw supports for the zircon, three of these are largely worn away.

Diamonds are heavily included stones, slightly brown tinted.

Typical scuffing and scratching to shank/setting.
