LOT 528

A Scandinavian silver and varicoloured enamelled circular pendant locket, the front decorated with a pink rose against a white enamelled ground, the suspension loop detailed '935S ht', weight 12.8g, length 4cm, with a silver ropetwist link neckchain, detailed '925 Italy', on a sprung hook shaped clasp, weight 7.8g, length 67.2cm.

Estimate: £100 - £150

Condition Report

Some minor scratches to the surface of the enamel, noticeable in certain lighting. No significant losses to the enamel.

The interior of the locket is likely missing its glazing/fittings, to enable it to hold photographs.

Clasp works well, snaps shut.

Hinge in good condition.

The neckchain is in associated and is in fairly good condition. The spring within the clasp looks to be broken, it does not close with any firmness.
