LOT 563

A gold, platinum, sapphire and diamond ring, claw set with a cut cornered rectangular step cut sapphire between two circular cut diamonds, detailed 'Plat 18c', weight 2.6g, ring size approx O1/2, and a 9ct gold and sapphire three stone ring, weight 1.1g, ring size approx M1/2.

Estimate: £120 - £160

Condition Report

Sapphire and diamond ring - some slight abrasion to the sapphire's facet edges.
A couple of inclusions within the sapphire. One diamond has a chip and a surface reaching inclusion on the table.
Some wear to the sides of the mount and to the shank, with some thinning at the back.
The ring has been resized in the past.

Sapphire ring - the two side sapphires are fairly opaque, the centre stone less so.
Claws in good condition.
The shank is a little dented and misshaped, the back of the shank is very thin and resized in the past.

Both rings with light scuffing/scratching to shank and setting.
