

Jewellery / Wed, 30th October 2024 / Lot 591

LOT 591

An 18ct gold, sapphire and diamond ring, mounted with three cushion shaped sapphires alternating with two pairs of diamonds, the mount decorated with scroll pierced sides, Birmingham 1920, weight 3.5g, ring size approx O.

Estimate: £200 - £250

Condition Report

Sapphires with some slight abrasion to facet edges, with a few inclusions.
The claws are showing signs of wear and require re-tipping.
The diamonds are chips rather than particular cuts, fairly heavily included.
Some slight wear to the sides of the mount.
The ring has been resized in the past.
Typical slight scuffing/scratching to the shank and setting.
