LOT 2070

A Regency mahogany cheval mirror with ring turned frame and urn finials, on four fluted sabre legs terminating in brass paw caps and castors, height 191cm, width 83cm.

Estimate: £80 - £120

Condition Report

2070. Slight overall distressing to plate glass. The missing castor is present, but loose. Originally it would have had light sconces attached to sides, as it still retains the brass plates. Otherwise there is a minor repair to the top of one leg and some minor bumps and marks.
