LOT 2135

A George III mahogany 'Cumberland' drop-flap dining table, raised on splayed legs and castors, height 68cm, length 168cm, depth 137cm.

Estimate: £100 - £200

Condition Report

2135. The top has overall surface wear, old marks and a replacement edge to one leaf. The underside has some woodworm to the softwood support structure and there is a crack to one of the sabre legs. The support framework appears to be ok but does sag slightly. Otherwise in need of a good clean and polish.
