LOT 2357

An ancient Greek black glazed terracotta lekanis, the circular body with twin loop handles, inscribed in black ink to footrim 'From the Fountainie Collection July... 1874', width 29cm.

Estimate: £200 - £300

Condition Report

2357. The handle section of the body has been broken and re-glued on one side, running from one of the lugs down into the side and around to the other lug. This has simply been re-glued back on. Otherwise, there are some small chips to edges and some surface build-up particularly to interior.
