### LOT 1175

Kawase Hasui (1883-1957) - a Japanese woodblock print depicting the Saishoin Temple at Hirosaki in snow, signed and Watanabe publisher's seal to lower right corner, image size 36cm x 24cm, unframed.

Estimate: £400 - £600

### Condition Report

1175. The print is in generally good condition with no tears, creases or repairs. Colours are generally good with possibly some very minor fading. The eight images online are a fair reflection of the colour. The print is quite a nice thick paper, it is certainly not a modern version but unfortunately we do not know the exact date to it.
