

## LOT 2506

An Art Deco Continental green and gilt patinated cast metal figure of a standing nude girl, holding two pieces of fruit behind her back, height 22cm, raised on a domed wooden base.

Estimate: £60 - £100

## Condition Report

2506. The figure is in fact a cast grey metal and not bronze. Under closer inspection it has some small areas of loss to the painted surface and a dent to one shoulder where the metal is visible underneath.
