

Single-Owner Collections / Tue, 26th November 2024 / Lot 4556

### LOT 4556

A rare early 20th century Holland & Holland telescopic rifle sight with brass adjusters, Parker Hale mounts and spring-loaded leather mounted ocular, the body detailed 'Holland & Holland, 98 New Bond Street, London', length 36cm. Provenance: the property of a Hampshire private collector.

Estimate: £150 - £250

---

### Condition Report

4556. Cross hairs visible, vision looks clear. Overall honest looking condition, some light marks overall. Leather eye piece dry with surface breakdown, would benefit from oiling. Adjustments work on threads. Lenses would benefit from a clean.
