

Firearms and Edged Weapons / Tue, 26th November 2024 / Lot 4830

### LOT 4830

A 19th century 12-bore percussion cavalry carbine with sighted barrel, barrel length 67.5cm, indistinctly named lock and scrolling brass trigger guard and butt plate, full-stocked with captive style ramrod (overall old damage, some repairs).

Estimate: £100 - £150

---

### Condition Report

4830. Overall an honest looking gun but tired condition overall. General bruising to woodwork. Splits and losses with old filled repairs, screw loss to brass trigger guard, old cleaned back rust to locks, makers mark indistinct, ill fitting lock may be a very old replacement as patched and filled to surround. Appears to have Indian or South East Asian armourers marks to top of barrel at rear end. Overall a distressed but honest looking gun.
