

Firearms and Edged Weapons / Tue, 26th November 2024 / Lot 4810

LOT 4810

A group of three Middle Eastern jambiyas, each with typical curved blade, length of longest blade 23cm, with white metal mounted horn grips and white metal and plated metal scabbards, each with suspension belts, one mounted with hirz or amulet holders (active rust to two of the blades, overall some losses and damage).

Estimate: £50 - £80

Condition Report

4810. Overall each jambiya is in distressed condition, clearly stored somewhere damp, with active rust, material breakdown to belts. Difficult to know whether the handle is horn or composite material.
