LOT 534

A gold and ruby ring, claw set with a row of three cushion shaped rubies, detailed '18ct', weight 4.2g, ring size approx N.

Estimate: £180 - £220

Condition Report

Some claws have been re-tipped in the past.

Shank with typical light scratching/wear.

Rubies have some heavy abrasion to facet edges, particularly to centre and one side stone. Possibility that one ruby is a later replacement due to the lack of wear when compared to the others.

Some noticeable inclusions within the central ruby, noticeable without magnification.

Ruby sizes approx.:

Centre - 5mm x 4.9mm x 2.5mm

Sides - 3.6 mm x 4mm x 2.5mm and 3.5mm x 3.6mm x 2.5mm

Suggested age - might be Edwardian
