LOT 503

A single row necklace of forty-eight graduated oval opaque and semitranslucent mottled butterscotch coloured amber beads, gross weight 83g, length 92.5cm, length of largest bead 3cm, length of smallest bead 1.2cm, together with a loose matching amber bead, weight 8.7g, length 3cm.

Estimate: £400 - £600

Condition Report

Two or three beads have a few sizeable chips.

One bead is cracked.

Some have typical crazing to the surfaces.

Others with small chipping to the drill holes.

Looks like two beads were originally two halves of a clasp, but the fittings are lacking. The necklace is now one continuous strand with no clasp, all individually knotted.
