

Objects of Virtu / Thu, 28th November 2024 / Lot 2349

LOT 2349

A George III gold cased pocket compass with white enamel dial and suspension loop, diameter 3.6cm.

Estimate: £300 - £500

Condition Report

2349. It functions and has overall hairline scratching and wear to case. Some areas of minor discolouration but otherwise in good order. We feel that it is gold but it has not been tested.
