Estimate: £50 - £70

Condition Report

Royal Crown Derby - one saucer has a starcrack, one cup is finely crazed, the teapot has a minor short hairline to the tip of the spout (only noticeable on close inspection), the sucrier cover is crazed.

The figure is in good condition with no damage or repairs.

Coffee cans and saucers - one of the cans is badly cracked, otherwise the cans and saucers are in good condition, but the boxes themselves are in incredibly poor condition.
