LOT 1586

A Royal Worcester reticulated cup and saucer, circa 1875, of double-walled construction, in the style of George Owen, pierced with a honeycomb design heightened with gilt dots at each intersection, glazed in pale pink reserved with red enamelled panels, the rims detailed with a gilt pattern heightened with red enamel and turquoise 'jewels', with bamboo-form handle, impressed mark to base of saucer, diameter of saucer 15.8cm.

Estimate: £250 - £350

Condition Report

The cup is missing one side edge of one of the pink enamelled hexagons between two of the red panels, i.e., a tiny section of the piercing.

Otherwise both pieces are in good condition overall with no cracks, chips or restoration.
