LOT 1703

A rare Macintyre Moorcroft Florian Ware vase, circa 1908, decorated with poppies and roses against an ochre ground, brown printed factory mark to base with impressed numerals and green painted signature, height 20.3cm (minor professional restoration to rim).

Estimate: £800 - £1,200

Condition Report

There is an area of professional restoration to the exterior of the neck rim, approximately 2cm long by 2cm deep, this is very well executed and only noticeable on VERY close inspection by a trained eye. Just below it is a small area of dense surface scratches. Otherwise the vase is in good condition overall with no cracks or chips. There is typical overall fine crazing to the glaze.
