

British and Continental Ceramics / Thu, 5th December 2024 / Lot 1624

### LOT 1624

A large Sèvres style cobalt blue ground gilt metal mounted casket, circa 1900, of bombe shape, painted to the hinged lid with figures enjoying a picnic, indistinctly signed Lauque, within elaborate gilt foliate scroll and trellis work, the base sides with similarly framed landscape views, applied paper label to base inscribed 'W. F. Greenwood & Sons, Ltd., Art Dealers, York', with pseudo blue painted Sèvres style mark, 32cm long by 15cm high by 20cm wide.

Estimate: £200 - £300

---

### Condition Report

In good condition overall with no cracks, chips or restoration.

Typical overall crazing to the glaze.

The gilding and enamels are in good order, there is minimal typical rubbing to the gilding.

The interior is a little stained and dirty.
