

Glassware / Thu, 5th December 2024 / Lot 1875

LOT 1875

A Murano Alexandrite glass model of a horse's head, designed by Licio Zanetti, engraved mark to base, height 15.5cm, together with a Murano Barbini type model of a bird of paradise, height 33cm (fault), a Ronneby Swedish clear glass model of a fish, a Murano glass model of a kneeling figure, their hands held together in prayer, height 16.5cm, and four other similar pieces of glass (minor faults).

Estimate: £70 - £100

Condition Report

Bird of paradise - missing its head plumage with a rough/chipped surface to the top of the head where it would have been.

Rabbit vase - chip to top front edge of rabbit's right foot.

The remaining items in the lot are in good condition overall with no damage or repairs.
