LOT 1859

"An Art Deco silvered and enamelled glass water jug, circa 1930, etched with two jockeys jumping a fence against a textured 'ice' ground, height 19cm, a similar cocktail shaker and cover silvered and etched with a ship in sail beneath a starry sky, height 23cm, a brown tinted glass vase with silvered fish decoration, height 21cm, a clear circular footed bowl gilt and enamelled with fish and silvered bubbles, diameter 20cm, and a group of other similar enamelled glassware, including a six piece dressing table set with silvered and green spot decoration and a green and silver banded jug (minor faults).

Provenance: from the collection of John and Poppy Stallebrass."

Estimate: £100 - £150

Condition Report

Overall each item in the lot is in good condition with no damage or repairs.

The only things I would note are the brown tinted vase with silvered fish decoration has wear to the fish, and there is a decanter and stopper with black line concentric circle decoration which has chipping to the base end of the stopper.
