LOT 1782

Two Dennis China Works vases designed by Sally Tuffin, both dated 2002, the first in the Cockerel pattern, the second in the Koi Carp pattern, each with impressed and painted marks to bases, both 12cm high.

Estimate: £70 - £100

Condition Report

Both vases are in good condition overall with no cracks, chips or restoration.

The cockerel vase has a tiny scratch approx 0.5cm long to one feather tip - only noticeable on very close inspection.

The Carp vase has some long craze lines to the glaze - a manufacturing issue.
