

British and Continental Ceramics / Thu, 5th December 2024 / Lot 1469

### LOT 1469

An Art Deco Royal Dux porcelain figure group, 1930s, modelled after Schaff as a female nude and her male dance partner in balletic pose, raised on a gilt edged shaped base, applied pink triangle and green printed marks to base with impressed numerals '3075', height 34cm.

Estimate: £120 - £180

### Condition Report

In good condition overall with no cracks, chips or restoration.

There are some grey pencil like marks to her bare skin which I think would clean off.
