

Wristwatches and Pocket Watches / Wed, 18th December 2024 / Lot 1030

### LOT 1030

A Omega Seamaster Montreal Chrono-quartz 'Scoreboard' stainless steel gentleman's bracelet wristwatch, produced for the 1976 Montreal Olympic Games, with quartz movement, the signed black dial with analogue and digital display, the case back with Seamaster emblem and Olympics motif, the tapered link bracelet with signed foldover clasp, case width 4.7cm.

Estimate: £700 - £1,000

---

### Condition Report

1030. The watch is in generally good cosmetic condition with typical light surface scratches and wear to case, glass/crystal and bracelet. Slightly more pronounced small scratch to centre of glass/crystal (just to right of digital displays). Bracelet in generally good order and clasp in good working condition. Analogue part adjusts smoothly and date rolls over as it should, but unfortunately the watch is not running.
