### Condition Report

1028. The watch is in generally good condition.

Case and glass/crystal with typical light surface scratches and wear, but no significant damage.

The movement winds and adjusts smoothly, day and date roll over as they should and also adjust from push buttons on side of case. It is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

Some slight degrading to hands and some minor discolouration to dial.
