### Condition Report

1095. Generally good condition commensurate with age, typical surface scratches and wear to glass/crystal, case and bracelet. The online images give a fair impression of the wear - apart from the speck of dirt showing beside the 6 baton, which has now been removed from the glass.

Dial in good clean condition. Crown/winder screws in tightly to the case. Bracelet with typical wear. Clasp in working order.

Movement winds and adjusts smoothly and it is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.
